

Hello all, my name is Vance Von Bergen and am currently in my 22nd year of teaching all in Stanford. I student taught in 5th grade in Stanford back in 1997 and then the next year the 6th grade position opened up. My years at Stanford have included many things: 10 years JHFB coach, 10 years JHBBB coach, 10 years Asst. HSBBB coach, 10 years Asst. HSFB coach, and 2 years Head HSFB coach. I then stepped away from coaching to take on the activity director role that I have been currently in for the past 15 years. This has been a wild ride as well as I have overseen 2 co-ops, Stanford-Geyser and our current one Denton-Geyser-Stanford. Needless to say I love sports and want to do what I can to assist our student-athletes.

The teaching end has seen me most in the stand alone 6th grade classroom. I have also taught a combo. class of 5th/6th graders for several years plus I was asked to take on K-10th P.E. for several years when we did not fill the P.E. position. Now I'm back to 6th grade for the time being.

Finally, my family consists of my wife, Shannon of 19 years. My daughters, Sydney-17 and Reese-13, are the light of my life. We live in Stanford and love our community.
