March 24, 2020

This morning, we were made aware that one of our staff members is showing symptoms of the COVID-19 (Coronavirus). Because they are not in a high-risk category, they will not be tested to confirm if they have the virus. While school was in session, this person did not exhibit any symptoms of the virus. In addition, they did not participate in the meal distribution yesterday.

We still wanted to share this news with our school community to be transparent and make sure you remain vigilant in monitoring your health and your child's health.

Per the guidance of the Ohio Department of Health, if you think you have been exposed to COVID-19 and develop a fever and symptoms, such as cough or difficulty breathing, call your healthcare provider for medical advice. It is also important that we all comply with Governor Dewine's stay-at-home order to continue to minimize the spread of the COVID-19.

Remember that the best thing you can do in the face of COVID-19 is to take precautions to protect yourself, your family, and your community:

- Wash hands often with soap and water for at least 20 seconds; dry hands with a clean towel or air dry hands.
- Use alcohol-based hand sanitizer when soap and water are unavailable.
- Cover your mouth with a tissue or sleeve when sneezing or coughing.
- Avoid touching your eyes, nose, or mouth with unwashed hands.
- Stay home when you are sick.
- Avoid contact with people who are sick.
- Clean "high-touch" surfaces daily.

We need to continue to work together to keep our community healthy. Like all of our staff, I continue to monitor phone and email messages. If you have any questions, please email me at [bob.longworth@locklandschools.org](mailto:bob.longworth@locklandschools.org) or call the district office and leave a voicemail message at 513-563-5000 and I will return your call.

Thank you,

Bob Longworth  
Superintendent

Proudly Serving the Communities of Lockland and Arlington Heights
