TABE TESTING

The Test for Adult Basic Education (TABE) is a diagnostic test used to determine a person's skill levels and aptitudes. The TABE test is used by public service agencies who are guiding people into adult education programs, such as getting a GED, going to trade school, etc.

The TABE tests skills and aptitudes in reading, math, and English, as you'll apply them in the workforce or classroom. Although there's really no such thing as passing or failing the TABE test, your score can determine your eligibility for many programs that can have a positive effect on your life situation, and a huge impact on your future income. It's important to be prepared for the test. It takes about an hour and a half to complete.

In the reading portion, you'll be tested on your vocabulary and reading comprehension. The English portion will test for spelling, punctuation, grammar, sentence and paragraph structure, etc. The math section doesn't involve much complex math — there are some questions on pre-algebra, but mostly it's about basic math, fractions, percentages, and the decimal system.

Please call the Alliance Career Center to make arrangements (330-829-2267) to schedule the TABE test.

Financial Aid

If you pay your tuition and fees before class starts, this step can be skipped. If not, follow the guidelines for the appropriate program below:

Full-time Program (600+ hours)

- Complete the online Free Application for Federal Financial Aid (FAFSA) form at www.studentaid.gov (using Google or FireFox Only). If unable to complete this step please call the financial aid office for assistance.
- **The Alliance Career Center School Code is 030151.**
- You will be completing the **2020-2021** FAFSA. Use the IRS Data Retrieval Tool to import your **2018** tax information into the FAFSA application.
- You will be required to create an FSA username and password to sign and submit your FAFSA.
- Schedule a financial aid appointment at 330-821-2102 after you have completed the online FAFSA application. During this meeting, financial aid and scholarship options are discussed, ensuring that all information is complete and accurate.
- Review award information and sign award letter.
- Complete loan counseling if needed.
