Textbook:

Nursing Assistant Care: The Basics ISBN# 9781604250503

Tuition and book prices are subject to change.

This program is a 100 hour program. Start dates and hours will vary. Scholarships are available. Call the Career Center for the next scheduled class.

The following are not included in tuition and lab fees. They are the responsibility of the student.

- Scrubs for Clinicals (Instructor will address this the first day of class)
- 2-Step TB (Mantoux)
- Non-refundable \$25 Application Fee

The following items are to be completed prior to the first day of class:

- Completed Application
- Application Fee - \$25
- Attend TABE testing session.
- Ohio BCI Background Check. This is completed at the time of paying the application fee. If a student does not begin the program, they will be charged \$32.00 for the completed BCI.
- **2-Step** TB (Mantoux) - Check with your family physician or the Alliance Health Department. It requires 2 shots/2 visits.

For more information regarding Gainful Employment, please visit: www.accrtw.org

**We will accept a qualifying ACT score of 14 or higher in place of the TABE Test. Please include a copy with your application.*

TABE TESTING

The Test for Adult Basic Education (TABE) is a diagnostic test used to determine a person's skill levels and aptitudes. The TABE test is used by public service agencies who are guiding people into adult education programs, such as getting a GED, going to trade school, etc.

The TABE tests skills and aptitudes in reading, math, and English, as you'll apply them in the workforce or classroom. Although there's really no such thing as passing or failing the TABE test, your score can determine your eligibility for many programs that can have a positive effect on your life situation, and a huge impact on your future income. It's important to be prepared for the test. It takes about an hour and a half to complete.

In the reading portion, you'll be tested on your vocabulary and reading comprehension. The English portion will test for spelling, punctuation, grammar, sentence and paragraph structure, etc. The math section doesn't involve much complex math — there are some questions on pre-algebra, but mostly it's about basic math, fractions, percentages, and the decimal system.

Please call the Alliance Career Center to make arrangements (330-829-2267) to schedule the TABE test.
