Re: 2023-2024 Enrollment

We hope everyone is enjoying their summer! We are excited to start the 2023-2024 school year and welcome our new and returning families. This "Enrollment Update" is filled with valuable information on how to enroll for the new school year. We believe all students deserve the opportunity to succeed through progressive and high-quality instruction and we will continue to meet the needs of ALL of our students.

We encourage you to follow our website, social media sites, and read alerts that arrive through text or voice.

We will be providing in-person enrollment for new students or any family that would prefer the in-person option in the *school cafeteria* on Wednesday, 8/2/23 from 8:00 am to 5:00 pm. There will also be on-line enrollment available from 7/31/22 to 8/7/22. Please follow on-line enrollment instructions below.

Student schedules for SHS students, your class courses from last spring that you enrolled in, have been completed and put in PowerSchool. You may see your class schedule by logging into PowerSchool. If you would like to make changes or see your schedule please come to enrollment.

If you attend in-person enrollment, please bring your username and password for PowerSchool.

We are looking forward to another amazing year of accomplishments and we will be ready to adapt to changes that come our way.

We share our appreciation with you, our partners in education, for your continued flexibility, engagement, and partnership in our students' educational journeys. Thank you for being part of the Stockton USD 271 family!

Mrs. Sarah Armstrong
Superintendent

Mrs. Stacey Green
PreK-8 Principal

Mrs. Lindsay Cravens
9-12 Principal
