March 22, 2020

Good Evening Placerville Families,

I hope that all of you had a good weekend and were able to take a little time to relax. I want to give you a few updates for the coming week.

All school offices are closed to the public at this time. Phone messages and emails will be checked daily and messages will be returned within 24 hours. All other school classrooms and offices are also closed to the public except for the Multi-Purpose rooms on each campus which will be open to pick up work packets on Tuesday March 24th.

The District Office will be open to the public each day from 10:00-2:00. Phones and emails will be checked daily and you will receive a response within 24 hours.

We were able to give out nearly 300 Chromebook this past week. If you are still in need of a Chromebook please stop by the District Office during the hours of 10:00-2:00. If you are not able to come during those hours, please call and set up a time for an appointment. For those families on the wait list we will begin contacting you on Tuesday March 24th.

Meals will still be provided each day at the normal times and locations.

All teachers will still be holding virtual office hours each day and are posting some very fun and exciting opportunities for our students.

Just a reminder work for the next two weeks will be available for all students on Tuesday March 24th in each school Multi-Purpose room from 7:30-5:00.

I will continue to update you as the situation changes. Thank you for collaborating with us.

Have a great rest of your Sunday.

Eric Bonniksen
Superintendent
