Vision and Mission

Vision– The vision of the Migrant Education Program is that every migrant student is successful in reaching their college or career goals.

Mission– The mission of the Migrant Education Program is to support the Migrant students to attain their full educational potential.

*We are here
to help!*

¿How do you qualify for the program?

There are three basic criteria's to qualify:

1. The parent or youth work in agriculture.
2. Has there been a move to look for work in agriculture in the past 3 years?
3. Students are between the ages of 3 and 22 years of age. Unless they graduate from high school or hold a GED.
