

PEARSON MATH LOG IN

STEP ONE:

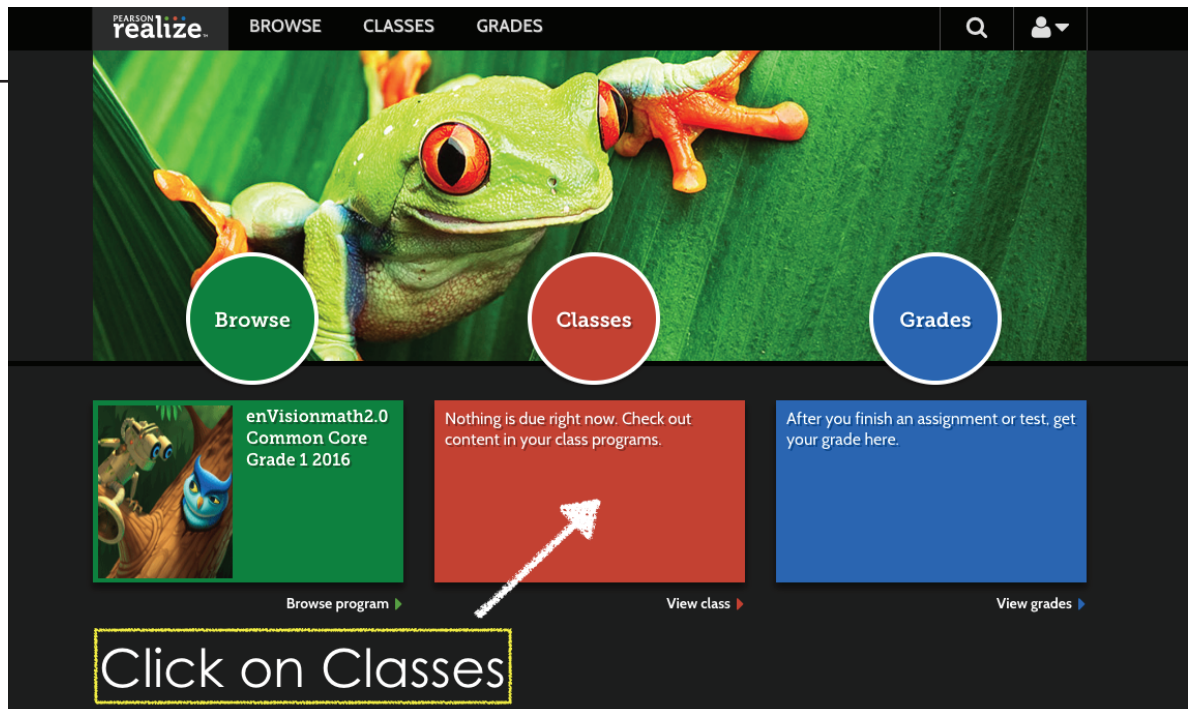

<https://www.pearsonrealize.com>

STEP TWO:

The screenshot shows the Pearson Sign In page. On the left, there is a large image of a dragonfly. Overlaid on this is a white box titled "Example Login" with an arrow pointing to the login form. The login form is titled "Pearson Sign In" and has two input fields: "Username" with the text "example: lionbrynn" and "Password" with the text "lionswin!". Below the password field is a link "Forgot your username or password?" and a "Sign In →" button. At the bottom of the form is a button labeled "Pearson EasyBridge Plus & Auto" with a question mark icon. The word "ALWAYS" is visible in the top right corner of the page.

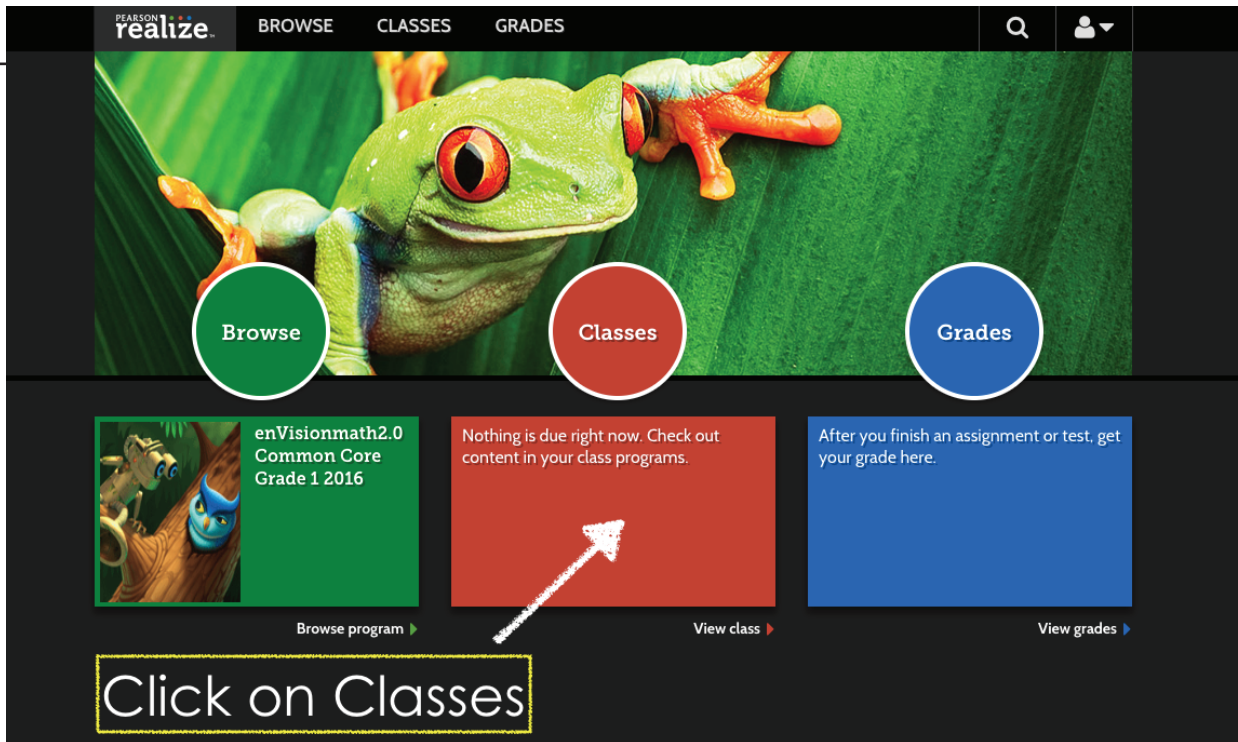

STEP THREE:

The screenshot shows the Pearson Realize homepage. At the top is a navigation bar with the "pearson realize." logo, "BROWSE", "CLASSES", and "GRADES" links, a search icon, and a user profile icon. Below the navigation bar is a large image of a green tree frog. Overlaid on the frog image are three circular buttons: "Browse" (green), "Classes" (red), and "Grades" (blue). Below these buttons are three program tiles. The first tile is for "enVisionmath2.0 Common Core Grade 1 2016" with a "Browse program" link. The second tile is red and says "Nothing is due right now. Check out content in your class programs." with a "View class" link. The third tile is blue and says "After you finish an assignment or test, get your grade here." with a "View grades" link. A white arrow points to the "View class" link. At the bottom, a yellow box contains the text "Click on Classes".
