OLD BUSINESS:

1. **(Pole Vault)** Rick Peterson from Arnold has offered to help with pole vault practices on Tuesdays and Thursdays in Arnold. Administration is still working on some liability issues but looks like pole vault for the high school will be added to the 2022 season. Jr. High pole vault will be added in the 2023 season.
2. **(Jr. High Practice Schedule)** Admiration has been working on obstacles, facility planning, coaches, transportation for the after-school practice schedules for the jr. high. The committee realizes that our jr. high is not at the same level as most schools due to lack of practices. Jr. High sports practice schedules are still being discussed and no decision has been made yet. It was agreed on that the AD and administration need to meet with jr. high parents before this goes any further.

NEW BUSINESS:

1. **(Basketball Schedules)** Mr. Kloke informed the committee of possible options he was pursuing for High School basketball schedules. He will also be completing coaches' evaluations and have recommendations for head coaches at the next meeting.

DISCUSSION ITEMS:

Next meeting will be April 4, 2022, in Stapleton at 7pm.

Meeting was adjourned by Burnside at 7:33 pm.
