Kenner Discovery Middle School Students and Parents,

I hope that this message finds each of you well! We are now in our first full week of online learning. I want to send a big shout out to all students who are successfully navigating our online platforms!

Students, remember the following:

- If you have any questions or concerns regarding your classes, be sure to email your teachers with your questions and attend your teacher's scheduled office hours through Google Hangouts. Students should only log into the video hangouts during the scheduled times.
- Be sure you are giving your best effort on all assignments.
- Be sure you are completing and submitting all assignments prior to the due date.
- Devote the recommended three (3) hours per weekday to academics.

My office hours this week are Wednesday and Friday from 8:00am - 9:00am. I look forward to connecting with you virtually!

Parents, we appreciate your continued support in educating your child. Enjoy the rest of the week!

We will get through this together!

Dr. Jesse J. Watson,
KDHSA Middle School Principal
