—The Kansas State High School Activities Association serves students by providing leadership for the administration of education based interscholastic activities—

Dear KSHSAA Member Schools,

We trust you are continuing to serve your students and greater community with innovation and creativity as we respond to the impact of COVID-19 in our communities across Kansas. As a direct result of efforts to address these concerns, Shawnee County and the greater Topeka area will be under a “Stay Home” order from our local health department effective March 26 for 30 days. Accordingly, the KSHSAA office building will be closed, but the team will continue to work from home as we support you, our member schools, and as we prepare for the eventual return to interscholastic activities. While our office phone will not be answered, please feel free to contact us via e-mail or text message.

Be safe.
