AMMS/HS students and parents will checkout devices and pick up students personal belongings on Monday, March 30th from 9:30 A.M. to noon. Please come to the front door by the office.

\*\*AMMS/HS teachers and students will begin academic work on Tuesday, March 31st.

\*\*Teachers will be using Email, Google Classroom and Google Hangouts to communicate with parents and students.

\*\*If your student is on an IEP, the ANW Special Education Teacher will continue to be in contact with you and provide services as directed by ANW.

\*\*Research and evidence has shown that a reasonable expectation for kids to engage in online learning every day is between two to three hours. That expectation of time is lower for elementary aged kids. We tried to create activities and lessons that fall within this range.
