

Parent Technology Information

Mrs. Sizemore is available for digital technology support. Please email the Help Desk (helpdesk@usd387.org) for support and she will get back with you as soon as possible.

Most issues can be fixed remotely, via online meeting or phone. Once she receives the request, she will respond within 48 hours.

With instances that cannot be fixed remotely or via phone, special considerations will be given to come up with the best course of action to fix/replace devices.

Please ensure that proper care is taken with the devices, as replacements may not be readily available and time frame for repair is extended at this time.
