Dr. Diane Thomas
Mr. Frank Thomas

March 26, 2020

Under the issuance of Governor Kemp's Executive Order, Brooks County Schools will remain closed until Friday, April 24 and re-open on Monday, April 27. We will continue to provide instructional packets via website postings and hard copy pick up. We appreciate the efforts of our teachers, administrators and directors who have compiled these packets. Thank you to the parents who are ensuring our students continue learning during this unprecedented time.

Plans are being made to accelerate instruction to enable students to be prepared for grade promotion. Directors and administrators are working together to make decisions on how to best support student learning. Information will be forthcoming.

We plan to continue with regularly scheduled activities in May such as prom, high school graduation, award nights, and other events normally held during this time of year. All schools will be scheduling a Parent/ Teacher Night in early May to answer questions and provide educational information.

We appreciate your patience as we navigate our way to continue to meet our goal of Pledge to Inspire and Educate Every Student (P2G).

Sincerely,

Dr. Vickie Reed

Superintendent
