Your public schools...
There's no better place to learn.

March 25, 2020

Dear Parents and Community Members,

Each day brings new challenges in supporting the students in our community. I want to assure our families that our teachers and support staff have been working diligently in developing lessons and supplemental services to help students stay engaged in learning.

These at-home learning options and resources are being designed to support student learning by keeping our students engaged in their grade level curriculum. These lessons are not designed for points or grading.

The North Central ESD and Columbia Gorge ESD are working with the regional District Superintendents from Sherman County, Wheeler County, Gilliam County, Dufur, and South Wasco almost daily to coordinate instructional efforts, resources, and delivering services that are tailored to their community's needs and capacities.

The Oregon Department of Education is currently considering paths to graduation for the class of 2020. We will be reaching out to the senior class's families to insure the most coherent process possible for completing high school graduation requirements. Scholarship applications deadlines etc. will be provided to each senior in the next few days.

Thank you for your support! Please call 541-467-2509 with any questions that you may have.

Sincerely,

Jack Henderson, Superintendent
