

## HOME LEARNING WITH SEESAW

---

### Home Learning with Seesaw

Hi, Barneveld School District Families and Students,

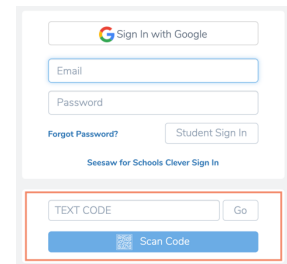

While our school campus is closed, we will use Seesaw for home learning. Seesaw helps us work together to provide students with meaningful learning experiences at home.

We'll use Seesaw to share learning activities and resources, capture your child's learning and communicate about student progress and needs.

Below are steps for setting up Seesaw at home and additional resources to help you support your child during this transition.

#### **Set up your child in the Seesaw Class App:**

1. For devices like tablets or phones, download the **Seesaw Class App**  
For laptop or desktop computers, **go to [app.seesaw.me](https://app.seesaw.me)**
2. Click **I'm a Student**
3. We provided home learning codes: **Enter the text code** or **scan the QR code**

The screenshot shows the Seesaw login page. At the top, there is a 'Sign In with Google' button. Below it are two input fields for 'Email' and 'Password'. There are also links for 'Forgot Password?' and 'Student Sign In'. At the bottom, there is a 'Seesaw for Schools Clever Sign In' section with a 'TEXT CODE' input field and a 'Go' button. A red box highlights the 'TEXT CODE' input field and the 'Scan Code' button below it.
