

Unity West Elementary
4th Grade Lesson Plan for Monday March 30

Joke of the day: What do you call a gardener that has a beard?
 Hairy Potter

Time	Activity	To-do item
9-9:45	Reading	<p>Book Club- Question of the day "<u>Think about the setting in your book. What are three things that you would see?</u>"</p> <p>Read for 20 min while keeping this question in your mind.</p> <p>Activity: Make a postcard (Using a piece of paper, on one side draw and color a detailed picture of one of the settings from your story that you are reading. On the other side, write a short letter to someone about the setting. You can even pretend you are one of the characters from your story.</p> <p>http://www.readwritethink.org/parent-afterschool-resources/activities-projects/books-will-take-there-30911.html?main-tab=1#tabs</p>
9:45-10:15	Recess	Movement and cooperative activities
10:15-11:00	Math	<p>Place Value</p> <p>Activity: Using a deck of cards, with face cards removed, deal out 3 cards. Rearrange the cards to represent a 3 digit number. On paper, write down the largest possible number and the smallest possible number. Be sure to use < or > in your answers.(Do this 5 times with 3 new cards each time.)</p> <p>Continue with 4, 5, 6 cards, writing down your results. You can go as high as you want.</p> <p>www.commoncoresheets.com , Value & Place Value, go to Identifying Value, then do Comparing 3 digit numbers, then do Comparing Within 1 Million</p>
11:00-1:00	Lunch	
1:00-1:30	Specials	Check out Coach Nowlan's Weekly Challenge
1:30-2:00	Social Studies/ Science	<p>If you have access to a computer, click on the link below and watch the short video on how rainbows are made. Discuss the questions with a parent.</p> <p>Continue watching the video until the end. Don't forget the bonus!</p> <p>https://mysteryscience.com/lessons/seasonal/spring</p>

<p>Challenge Activities</p> <p>Choose a topic and stretch your brain to think of something for each letter of the alphabet. Make into a small book or use the link below to make one digitally.</p> <p>http://www.readwritethink.org/classroom-resources/student-interactives/alphabet-organizer-30035.html</p>	One thing I will do TODAY for my energy/exercise
	Today, I am grateful for

Reminders: *Office Hours*
We will be readily available every morning 9-11 am to answer any questions or concerns. We will check email at other times, but may not be able to get back to you as promptly.

Use $<$, $>$, or $=$ to compare the numbers.

THIS WEEK FOR PE FROM COACH NOWLAN & COACH IPSEN

March 30th-April 3rd

Dear Parents,

As students transition to online learning, be mindful of how much screen time your kids are getting. We are including activities that can be done at your lunch break/recess time built into your schedule from your teacher.

Staying active and fit is a critical part of staying healthy. Although you are all at home, it doesn't mean that you and your family can't still be physically active. Getting at least 60 minutes of physical activity per day is more important than ever during these times.

We have provided some guidance and resources to make sure your kids are physically active while at home. These are recommendations and not mandatory - what's important is that all students are physically active for a total of at least 60 minutes per day. Please fill out the chart below, so we know what you did and you can keep track of your fitness. Use the chart on the second page to pick activities to do and record, we encourage you to pick from different categories. We also encourage you to do warm-up stretches that we do before each class, have fun staying fit.

This Week: NAME: _____ CLASS: _____

DAY	CATEGORY	ACTIVITIES
MON		
TUES		
WED		
THUR		
FRI		

Note: Make sure students are supervised and safe during all types of physical activity.

FITNESS ACTIVITIES

A CARDIO ACTIVITIES	B MUSCULAR STRENGTH	C MUSCULAR ENDURANCE	D FLEXIBILITY ACTIVITIES	E REC. ACTIVITIES
JOG FOR 10-20 MINS	PUSH-UPS 30-50 DO IN SETS OF 10	PLANKS 5-10 TIMES 1 MIN EACH	STRETCHING FOR 20 MINS	WALK YOUR PET 15-20 MINS
JUMP ROPE FOR 10-15 MINS	SIT-UPS 50-100 DO IN SETS OF 10	LOW/MID/HIGH 5-10 TIMES 45 SEC. EACH	PILATES FOR 20 MINS	PLAY CATCH W/ FOOTBALL 20 MINS
WALK FOR 20 MINS	LUNGES 30-50 DO IN SETS OF 10	WALL SIT 5-10 45 SEC EACH	YOGA FOR 20 MINS	SHOOT HOOPS 20 MINS
BIKE FOR 20 MINS	SQUATS 50-100 DO IN SETS OF 10	HOLD UP POSITION OF PUSH-UP 5-10 TIMES 1 MIN EACH		BASKETBALL PLAY HORSE OR AROUND THE WORLD
SKATEBOARD FOR 15-20 MINS	SHOULDER TAPS 100-200 DO IN SETS OF 20	JUMP ROPE 200-300 TIMES		PLAY FRISBEE 20 MINS
SCOOTER FOR 15-20 MINS	HIP POCKETS 100-200 DO IN SETS 20	AB WORKOUT 15-20 MINS		PLAY CATCH W/ BASEBALL/ SOFTBALL 20 MINS

EXAMPLE OF HOW TO FILL OUT:

This Week:

NAME: COACH IPSEN

CLASS: 4B

DAY	CATEGORY	ACTIVITIES
MON	A & C	BIKE AND PLANKS
TUES	A & E	WALK AND BASKETBALL
WED	B & D	PUSH-UPS AND STRETCHING
THUR	A & E	SKATEBOARD AND FRISBEE
FRI	A & B	WALK, SHOULDER TAPS, AND HIP POCKETS

Unity West Elementary
(4th Grade) Lesson Plan for (Tuesday March 31)

Joke of the Day: What did Harry Potter say when Hermione didn't get his knock knock joke?
A: There must be something RON with you!

Time	Activity	To-do item
9-9:45	Reading	<p>Book Club- Question of the day <u>Think about the main character in your book. How are you similar to this character? How are you different?</u></p> <p>Read for 20 min while keeping this question in your mind.</p> <p>Activity: On a piece of paper write at least 3-5 similarities and 3-5 differences. Try not to write just physical similarities and differences.</p>
9:45-10:15	Recess	Movement and cooperative activities
10:15-11:00	Math	<p>Addition & Subtraction</p> <p>Activity: Using either dice or a deck of cards 2-9 only. Using your dice or cards make 2 numbers of 3 or more numbers. Stack the 2 numbers with the larger number on top. First add the two numbers together, then subtract the two numbers. Write your problems with their answers on lined paper. Make and solve 20 problems.</p> <p>www.mathplayground.com addition & subtraction</p>
11:00-1:00	Lunch	Make sure you eat a "GO" food today
1:00-1:30	Specials	Check out Ms. Hanners weekly Art project at unitywestelementary.com
1:30-2:00	Social Studies/ Science	<p>Social Studies: Review the Great Lakes (HOMES) and their locations on the map by answering questions 1-7. Remember, we are focusing on the Midwest Region of the United States!</p> <p>Online Midwest Practice: States and Capitals</p>

<p>Challenge:</p> <p>Animal Research -Choose an animal that you want to research or one that you have read about recently. Make a poster using scientific facts or use the link below to organize the facts.</p> <p>http://www.readwritethink.org/classroom-resources/student-interactives/animal-inquiry-30020.html</p>	One thing I will do TODAY for my energy/exercise
	Today, I am grateful for

Office Hours
We will be readily available every morning 9-11 am to answer any questions or concerns. We will check email at other times, but may not be able to get back to you as promptly.

THE GREAT LAKES

1. LABEL the five Great Lakes and the cardinal directions.

Lake Erie, Lake Huron, Lake Michigan, Lake Ontario, Lake Superior. north, east, south, west

2. Where are the Great Lakes located in the United States?

3. Which Great Lake is completely located in the United States?

4. Which Great Lake is at the highest elevation?

5. Which Great Lake is at the lowest elevation?

6. Which river is the primary outlet for the Great Lakes?

7. Lake Superior is the largest Great Lake. What U.S. States border Lake Superior?

Solve each problem.

Unity West Elementary
(4th Grade) Lesson Plan for (Wednesday April 1st)

Joke of the day: What did the clown say to Harry Potter when he wouldn't smile?
A: Why so Sirius?

Time	Activity	To-do item
9-9:45	Reading	<p>Book Club- Question of the day "<u>How are you and the main character alike? How are you different?</u>"</p> <p>Read a chapter book for 20 min while keeping this question in your mind.</p> <p>Activity: Compare yourself to the main character of the book you are currently reading. Fill out the Venn Diagram worksheet with <i>text evidence</i>. On the back of the worksheet, draw and color a picture of you and the main character doing something you both would enjoy.</p>
9:45-10:15	Recess	Movement and cooperative activities
10:15-11:00	Math	<p>Multiplication</p> <p>Activity: Making a quiz! Get 3 pieces of computer paper. You will use both sides. Fold each paper in half and then half again. This will give you 4 equal parts. Go back over the creases with a pencil to visually divide the sections. In each section you will write a multiplication problem you personally have problems with, like 4 X 7. In the rest of the square, you will draw an array of objects(your choice), 4 rows of pizza slices by 7 rows of pizza slices. At the bottom of your square, inside the line, choose 3 answers to choose from. You will have 4 problems(arrays) on each side. This will be a total of 24 problems. When you finish you can take the quiz and see how you do! Make sure your pizzas look like pizzas!</p> <p>www.commoncoresheets.com Click on Multiplication, go to Traditional Multiplication, then go to Multiplication Drills</p>
11:00-1:00	Lunch	Did you eat a GO food today?
1:00-1:30	Specials	Complete the Kindness Bingo from Ms Cross
1:30-2:00	Social Studies/ Science	On Monday you watched how a rainbow was made. Today you are going to create a rainbow using what you have at home. You can draw a rainbow on paper using crayons, markers, or colored pencils. You can cut or tear different colors out of a magazine to create a rainbow, you can use different pieces of colored yarn to make a rainbow. The options are endless. Use at least 8-10 different colors. I would also like you to walk around your house and find two different things that represent each color and write them down on a piece of paper. For example; Red: a couch pillow and an apple. Make sure you are finding things around your house! Have fun!!

<p style="text-align: center;">Challenge: Superhero</p> <p>Using Legos or other building tools, design a new superhero or super vehicle. Describe it to someone else or even make a short video about it and email it to your teacher.</p>	One thing I will do TODAY for my energy/exercise
	Today, I am grateful for

Office Hours :We will be readily available every morning 9-11 am to answer any questions or concerns. We will check email at other times, but may not be able to get back to you as promptly.

ACTS OF KINDNESS

LEARNINCOLOR.COM

Leave someone a kind note	Give a compliment	Hold the door open for someone	Do a chore for a sibling	Create care packages
BRING DINNER TO SOMEONE	Donate old books	smile	Support a small business	Leave a snack and note for the mailman
Tell a family member how much you love them	Weed/rake leaves/shovel snow for a neighbor	FREE SPACE	PICK UP LITTER	Give a hug
LET SOMEONE GO AHEAD OF YOU	VOLUNTEER	Leave change at a vending machine	do a chore without BEING asked	Bake cookies for firefighters or police
Give a friend or the new kid a snack	ASK OTHERS TO PAY IT FORWARD	WRITE A THANK YOU LETTER	Visit a nursing home	Donate to a food bank

Solve each problem.

Venn Diagram (Character)

Name _____

Use the Venn diagram to write words and phrases to describe and compare the looks, personality, and behavior of two characters (and anything else you know about them). Write their names in the boxes.

Unity West Elementary
(4th Grade) Lesson Plan for (Thursday April 2nd)

Joke of the day: What did Ron Weasley say when Harry found his missing wand? A: That's wonderful!		
Time	Activity	To-do item
9-9:45	Reading	Book Club- Question of the day <u>What was the reason you chose this book? What drew you to it? Was it the cover of the book or the title? Tell your parent why you chose this book and then move on to the activity.</u> Read for 20 min while keeping this question in your mind. Activity: Grab a piece of paper and think of a different cover and illustration for your book. Can you think of a different title as well?
9:45-10:15	Recess	Movement and cooperative activities
10:15-11:00	Math	Multiplication Activity: I SPY This game can be played with a partner, or you can just use it for practice. Shuffle a deck of cards then lay them out on a table face up in a 13 X 4 array. Aces are 1 and all face cards are 10. Player 1 looks for 2 cards next to each other (beside, above, below, kitty corner), and multiply their values together, such as a 7 beside a 3. Player 1 says, "I spy the product 21" Player 2 must then find all of the cards in the array that when multiplied together, are 21. He may keep all the cards he finds. When Player 2 is finished, Player 1 may take any Player 2 missed. After each turn, before the next player goes, the cards must be realigned with no gaps. The winner has the most cards at the end of the game. www.mathplayground.com Multiplication & Division
11:00-1:00	Lunch	Help out around the house, maybe clean your room.
1:00-1:30	Specials	Sing your favorite song to someone and have them sing one as well.
1:30-2:00	Social Studies/ Science	Social Studies: Use the state abbreviations on the map and capitals listed at the bottom to help you label each of the states with their name and capital! OR Online Midwest Practice: <u>States and Capitals</u> If you can, explore this link for more information on the Midwest: https://kids.britannica.com/kids/article/The-Midwest/489348

Challenge: Who would you elect as president if you could choose? (Hint: it doesn't have to be someone in politics today.) Design a trading card about that person with facts & info about them. Don't forget to add why they would make a great president!	One thing I will do TODAY for my energy/exercise
	Today, I am grateful for

Office Hours
We will be readily available every morning 9-11 am to answer any questions or concerns. We will check email at other times, but may not be able to get back to you as promptly.

Midwest States Abbreviations and Capitals

*Write the state capital for each state
under its abbreviation*

Bismarck
Columbus
Des Moines
Indianapolis
Jefferson City
Lansing

Lincoln
Madison
Pierre
Springfield
St. Paul
Topeka

Unity West Elementary
(4th Grade) Lesson Plan for (Friday April 3rd)

Joke of the day: What did the Golden Snitch say when Harry Potter was itchy?
A: Quidditching!

Time	Activity	To-do item
9-9:45	Reading	<p>Book Club- Question of the day "Think about what mood your main character is in during this part of the book. If this character was going to sit on your couch with you right now, what movie would they be in the mood to watch? Why?"</p> <p>Read for 20 min while keeping this question in your mind.</p> <p>Activity: Grab a piece of paper and DRAW how your character may look while watching this movie. Pay attention to how their body language might be and the expression on their face. Write a few sentences describing how you would feel if you had to watch this movie with them.</p>
9:45-10:15	Recess	Movement and cooperative activities
10:15-11:00	Math	<p>Division Facts</p> <p>Activity:Division War This can be a 2 player game, or a 1 person practice. Using a deck of cards, Aces are 1, Jack is 11, Queen is 12, King is 13. Each player flips over 2 cards. Looking at the numbers, who will come up with a division fact first using 2 of the cards? They win the facts cards and an unused pile is started. (If there is no division fact, you each flip over 1 more card until a fact is found.) The winner will have the most fact cards.</p> <p>www.commoncoresheets.com Click on Division, go to Traditional Drills, then to Division Drills</p> <p>Worksheet</p>
11:00-1:00	Lunch	Help our around the house.
1:00-1:30	Specials	Check out Mrs. Knott's Library Online
1:30-2:00	Social Studies/ Science	Around the House: Draw a map of your bedroom or backyard using a piece of paper. Don't forget the compass rose or map key. (Remember that a map is 2 dimensional, so draw like you are looking down at the room or yard)

<p>Challenge: Watch Kid President "20 Things We Should Say More Often" https://www.youtube.com/watch?v=m5yCOSHeYn4</p> <p>Add 5 more things to that list!</p>	One thing I will do TODAY for my energy/exercise
	Today, I am grateful for
