26 MARCH 2020

Dear Parents,

Mrs. Stott: I am so sad that I will not be able to be with you, in person, in the classroom... but I am elated that I am going to be able to share so many art resources with you. Like Mr. Heersche says below, this is not meant to inundate you, but give you a variety of lessons to choose from. I am available anytime per email if you or your student has any questions. Take this time to really look around you and see all the “art” that is really out there. Miss you

Coach Heersche: For Elementary PE, my goal is to provide parents and students with various resources and activities each week. This is not meant to overwhelm you, rather give you options to burn some energy throughout the day. Feel free to reach out to me anytime via email or cell phone with feedback or questions. Finally, remember to take care of yourselves, we all need each other during this uncertain time.

Mr. Ruby: Hello! I am sad we won't be able to do the fun things we were planning for this spring, but I'm confident we will make the most of this situation and have fun in the process!
