March 27, 2020

Dear Dollarway School District Families:

Special thanks to everyone who has picked up an Alternate Method of Instruction (AMI) packet or mobile device. We will continue to reach out to each of our families to make certain your child has what he or she needs to participate in their learning activities during our school closure. Staff will begin reaching out again after Spring Break. If you have not heard from one of our staff members, please help us by making certain that we have your current contact information by clicking the following link

<https://forms.gle/vjhTJis7Z2yAhZPf6>.

For the AMI instructional activities that teachers have planned for your child(ren), see the details located on our website which can be accessed through the following link <http://www.livebinders.com/b/2644999>. Please be sure to check this link often, as it will be updated regularly.

This link also includes information about a resource from Arkansas PBS (Public Broadcasting Service), that the Division of Elementary and Secondary Education (DESE) is providing for our state. You can find more information about this resource on our AMI page (see link above). Please note that your child will follow Dollarway's plan for instruction, however, feel free to engage with this and the many other resources available for additional support as we make certain our children have the best opportunities for success possible.

--

Barbara J. Warren, Superintendent

Dollarway School District
