

## Information on Counseling Services

### Services Offered at the High School

Ms. Putney is the High School Counselor and has been a practicing counselor for 9 years. She also has a degree in math and teaches a few classes on occasion.

Ms. Putney's office is always open and can help with the following issues:

- Academic struggles
- Personal issues at home and school
- College and career questions
- Testing info
- Scheduling

She can also assist with other issues, challenges, or questions. If the topic is something she cannot assist with, she will refer students/parents to the appropriate resources that can, some of which are listed in the brochure.
