Dear Parents and Guardians,

I hope this letter finds you, our students and all your family members in good health. Below are some updates and answers to questions that we have received.

Access to Schools

Similar to Town Hall, we are closing the schools and offices to visits starting Monday, March 23rd. This is in response to the recommendations of our local health district, state, and federal agencies. Additionally, we will have most of the district staff working from home, either on a partial or full time basis. This will include administrators and office staff. We have the capabilities to receive communications from parents via email and can check voicemail remotely. Administrators and office staff will be available during the normal school hours. If you are unsure of an email address or phone number, they are available on our website, www.lebanonct.org.

Please know that lesson planning, reviewing students work, and other "normal" classroom and school functions will be occurring outside these hours.

Alternative School Sessions Schedule

Lebanon Middle School – 12:10 p.m.

Lebanon Elementary School – Grades K- 4 – 1:05 p.m.

AM Pre-K – 8:35 a.m. – 10:45 a.m.; PM Pre-K – 10:45 a.m. – 1:05 p.m

Attendance taking is not a high priority during this crisis. We do care and worry about our students and families. As your family situation changes during this health crisis, if you are able, please alert your children's schools if your children will need to be absent from the Alternative School Sessions. This way the teachers and administrators will know not to expect participation that day.
