

GUSTINE UNIFIED SCHOOL DISTRICT

CITIZEN'S FACILITIES OVERSIGHT COMMITTEE
APPLICATION

The Gustine Unified School District is accepting applications to serve on the GUSD Citizen's Facilities Oversight Committee, the Committee which oversees the use of local General Obligation Bond Measure tax funding. Committee members will serve without compensation and will report directly to the Board of Education to inform them of their review of expenditures on capital facilities improvement projects consistent with the provisions of approved projects as described in the language of General Obligation Bond measures approved by local voters. They will receive and review performance and financial audit reports to ensure that all Bond Measure monies are spent on voter-approved projects. State law provides that a local citizens' oversight committee oversee all school construction bond expenditures. In addition to members of the general public, the committee will include those with expertise in the following professions: architecture, engineering, construction, educational administration, public administration, financial management, real estate/development, construction management, and law.
