OHS Students Compete at the Kansas State Fair

On Thursday, September 15th, five Oxford seniors traveled to Hutchinson to attend the Scholastic Press Corp Competition at the Kansas State Fair. Cristian Bain, Emery Commerford, Mikayla

Tong, Mark Specht, and Liberty Kies made up Oxford's print journalism team. They had one day to create a four-page newspaper over aspects of the fair. The competition involved conducting

research and interviews, taking photographs, writing and editing stories, and compiling their stories and photos into a newspaper design. Results will be posted in October.

School Improvement Goals

USD 358 is constantly working to increase the academic gains students make each year. The following two school improvement goals will be the focus for the next several year: Increase the number of student performing proficient on state and local measures, and reduce the number of students who are chronically absent from school. To achieve these goals, the district will strengthen the MTSS, or multi-tiered system of supports. Tier 1 is the instruction all students receive. In Tier 1, the focus is on making sure the curriculum is aligned, evidence based, and instruction is such that students learn to become proficient. Tier 2 is the additional help or instruction students may need who are struggling to make appropriate gains in Tier 1 alone. These supports could be Title 1 time, ET groups at the elementary, Tiered time in grades 7-12, or after school tutoring. Students who need more targeted supports reviewed those in Tier 3. In this tier, the supports are individualized to help meet the very specific needs of the student.
