Kindergarten Readiness Nights

All Oxford three and four year olds and parents are invited to the first *kindergarten readiness night* planned for Thursday, November 10th from 6:30pm to 7:30pm. USD 358 is planning several events throughout the year to engage families of pre-schoolers about ways to help children become kindergarten ready. Each event will be designed with activities, a snack, and free books to take home. Contact the elementary school to sign up or for questions. Daycare will be provided by KAY.

Looking for Job Shadow Sites

One of the goals for all Oxford students is to have a plan after high school. Each high school student works on an IPS (individual plan of study) to identify the classes he or she needs to take while in high school, along with mapping a plan post graduation. One part of the process is to have each student go on job shadows to learn about various careers. If you or your business would be willing to have OHS students job shadow, please contact Mrs. Ashley Bugbee ashleybugbee@usd358com or call 620-455-2410. Job shadows can be arranged for any amount of time or day. We are also looking for internships opportunities for seniors.

Free Books

Children birth to age 5 can get free books mailed to their home each month just by signing up for Dolly Parton's Imagination Library. Having books at home and reading is one way to help young children develop strong vocabulary and strong reading skills. It's never too early to start reading with your child. Sign up today! Go to <https://imaginationlibrary.com/>. If you need help, contact the school, we will help you.

Another great opportunity to check out books is the Oxford Public library. Did you know if you get a Kansas e-library card at any public library you can check out ebooks for all ages? Go to www.kslc.org.

Students of the Month

Oxford Jr. Sr. High School’s October students of the month are:

7/8 grade- Madison Mayfield

9/10 grade- Logan Metz

11/12 grade- Maesey Vaughn

Congratulations!

Download the Oxford USD 358 APP

Oxford USD 358 has a free app available in the App Store for download. This is another way to stay connected with things happening in the district. The app is connected to the district website so is updated as the website updates.

IMPORTANT:

Those playing junior high basketball who did not play volleyball or football must have a completed physical on file in the high school office by Monday, October 31st to practice.
