## Elementary Swimming This Week

K-6 students will be swimming this week. Remember to bring swim suits, towels, and flip flops. Students reviewed what was needed "head to toe" with Mrs. Adams Friday.

## Practices Return to Regular Schedule This Week

## Supervision at Events

As activities start in full swing this week, parents are reminded that elementary students must be supervised at all school events. Please do not drop-off your children and leave. During football games, children need to stay inside the fenced areas.

## Where to Find Information

The District website: [www.usd358.com](http://www.usd358.com) has information to keep you abreast of things happening in the district. Newsletters are posted on the front page and back issues can be found in the DOCUMENTS link along with many other useful documents. The Events Calendar provides an overview of various activities happening throughout the year. Take time to explore our webpage.

The district social media accounts are also ways to stay in touch with District activities along with the USD 358 APP which is linked to the district webpage.
