VI. REPORTS OF COMMITTEES
➢ Governance – W. Meese said the retreat is starting to take some shape, looking at the last Monday and Tuesday in June, 6-9 p.m. is looking like what most people are favoring. They will work towards straightening those plans up. They will also be working towards the agenda for that and it will most likely be done a month ahead of time.
Safety/Security - Safety and Security met on 2/25/2020 to confirm that the project for the camera system was upgraded and complete with positive feedback. They discussed their policies and they are ready to be passed along to the Policy Subcommittee. The committee went to an executive session and discussed overall safety and security of all the school systems.

Superintendent’s Evaluation - Did not meet this month and there is nothing to report.

Negotiations - Negotiations met on 3/2/2020, there are two contracts in the Queue for the instructional assistants and secretaries. They have a meeting schedule with both of the bargaining units on 3/30/20.

Strategic Plan/Curriculum - Met a couple of times this month. The big discussion is the middle school schedule. Received signed letters from all grade levels at the middle school as well as special Ed teams opposing the original schedule that had been shown to the subcommittee and the board last month. The subcommittee spoke about it briefly but was unprepared to make a recommendation to the full board, so the middle school scheduling committee is coming up with a schedule that the staff feels best serves the students. The subcommittee met tonight to talk about the Next Generation Accountability report and about what the needs are at all three buildings and overall in general. The 3 year trend at LES is still moving upward but math is in need of growth. LMS is consistent but still needs progress. LMHS has similar reports, but noticed a district wide issue with chronic absenteeism, which the district is going to be focusing on. Updates for the school based strategic plans were discussed. Strategic plans were received 3/10/20 and will need more time for review and discussion.

Policy - Policy committee has not met, subcommittees have been reviewing policies. The policy committee will be scheduling a meeting for review.

Enrollment/Communications/Goals - The subcommittee discussed board goals, policies and enrollment.

Finance/Facilities - The subcommittee has been meeting on a weekly basis to discuss health care cost and early retirement incentive plans. The subcommittee proposed a 2.85% increase to the board of finance on 3/3/2020 and are waiting for the BOF to take action. The subcommittee met on 3/10/2020 to discuss the operating budget, the Lyman oil tank and the library renovations.

EASTCONN – M. Smith was able to attend his first meeting. Student education initiatives for a hands on approach focused for 7th and 8th graders. This could be a beneficial program for future enrollment.

More to come.

VII. ADMINISTRATORS’ REPORTS

These were included in the Board packets.

VIII. STUDENT REPRESENTATIVE’S REPORT

Ani Rose gave her school report since our last meeting. LES - February 12th was the evening with the Arts at Lyman. On February 12th the first grade class enjoyed Winter Wonderland. On February 20th the second grade class had Goodies and Game Night. February 21st was the 2nd grade snow date and CT Invention Convention. The winners that will represent LES at UCONN were announced as well as honorable mentions. February 27th was read in night. March 3rd was Read Across America Day. LMS - February 19-21 was girls volley ball tryouts. February 27th was the art show. February 27th and 28th the talent show auditions were held. March 6th was the Panther Den. LMHS - March 2-6 was spirit week, March 6th was the pep rally and March 10th was supposed to be the boy’s basketball first states game against Killingly.

IX. REPORT OF SUPERINTENDENT

1. Enrollment - Maintaining steady throughout the course of year so far. 995 students for the district. Gained two students at LES, lost one at LMS and LMHS has stayed the same.

2. Food Service Update - The food service program has a net profit of $485 as of 2/28/20. Total revenue has increased by 2.6% compared to last year while expenses are 3.8% higher. Average meals served per day are 12.7% higher than last year. The largest area of increase is paid (54.8%) and free (26.5%) breakfast meals. A student choice contest was held at LMHS on 1/30/20 and the competition was between the Nashville chicken sandwich and the chicken tikka masala (Indian dish). Nashville chicken won. Both items have been featured on the lunch menu. When featured, the Nashville sandwich nearly triples the sandwich volume for the day. Food advisory meeting will be held for LMS and LMHS in March.

3. COVID-19 - Rapidly changing dynamic within the state and country. The Governor declared a public health emergency. CIAC has canceled all winter tournaments. The state recommends no out of state field trips from now until the end of April. Superintendent Angeli is implementing no out of state field trips from now until the end of April and then he will reassess at that time. The state is recommending if the schools need to shutdown, they should shut down everything. The Superintendent and the facility is
working hard to put a plan in place for education for students in some other mechanism such as online learning and putting together packets of information for at home. There is no plan in place as of right now if the schools were to shut down. We have only had to make up 4 days as of right now so that gives us 9 days left to make up at the end of June if necessary. There are waivers that can be applied for if there is a shut down. We have bought different cleaning supplies and the custodians are cleaning more frequently. Superintendent Angeli has been in contact with M&J bus companies about the bus cleaning protocols. At this point Superintendent Angeli is monitoring COVID-19 day by day.

X. FINANCE REPORT
1. 2019-2020 Budget
Anticipating there to be a surplus but there is still 3 months left of school so there is no final projection.
2. 2020-2021 Budget
The subcommittee went to the board of finance on 3/3/20 and asked for a 2.85% increase.
