March 28, 2020

Dear Alden-Hebron District 19 Staff and Community,

We hope that this message finds each of you healthy as we end our Spring Break. As we have already shared, Governor Pritzker has closed schools until April 7, 2020.

We will resume e-Learning on Monday, March 30th. Yesterday the district received guidance from ISBE regarding Remote Learning Days which will begin on Tuesday, March 31st. You should have materials for this next week of learning that was prepared and sent home before the closure began.

We will be reviewing the guidance from ISBE, as well as comments, concerns and questions that we have received from both families and staff. Based on this information, we expect that we will make some adjustments in how our staff and students are able to interact. The connection between teachers and students is the most important part of the educational process and we will continue to find better ways to meet that need. We thank you for your flexibility as we learn from this unprecedented time.

Most importantly, we want and need your students to remain part of the school community during e-Learning. This is a very stressful time for students, families, staff and the entire community. Stability of knowing that our teachers are there for your students and willing to provide support and resources is essential. We want your student to stay engaged with the school and teachers.

If you have any questions regarding your student's instruction during e-Learning, please contact the school principal by email or phone. Thank you for your continued support.

Sincerely,

Debbie Ehlenburg, Superintendent – dehlenburg@ah19.org
Tiffany Elswick, Assistant Superintendent/Elementary Principal – telswick@ah19.org ;opl4
Tim Hayunga, Middle School/High School Principal – thayunga@ah19.org
Katie Beck, Student Services Coordinator/Early Childhood Supervisor – kbeck@ah19.org
