Marfa ISD Operational Status Pursuant to  
3-27-2020, Amended Order of the City of Marfa Mayor Manuel Baeza

Pursuant to the March 27, 2020, Amended Order of the City of Marfa Mayor Manuel Beaza (the “Amended Order”) regarding shelter in place by citizens of the city and the closure of businesses and government agencies in the city, Marfa ISD will be closed and all personnel not subject to the exceptions set forth below will remain away from Marfa ISD beginning at Friday, March 27, 2020 at 11:59 PM CDT and will continue unless terminated or modified by subsequent Order.

Pursuant to the Amended Order, Marfa ISD is considered a government agency that provides certain Essential Government Functions and Essential Critical Infrastructure to the schools of the City of Marfa. As such, it will be necessary from time-to-time for certain Marfa ISD personnel to leave their homes and travel to the Marfa ISD facilities to perform such essential functions and services under the following exceptions in the Amended Order:

1. To provide governmental services needed to ensure the welfare of the public. (
2. To provide government services for the operations and maintenance of internet services and telecommunications infrastructure for computing services, business infrastructure, communications, and web-based services of public schools and charter schools in the Marfa ISD Service Area.
3. To provide food by supplying Texas public schools with support services for their food commodities purchases and their compliance with state and federal guidelines regarding the National School Lunch Program.
4. To provide accounting and other business office-related services necessary to assist public school districts in the Marfa ISD Service Area with their business office operations, including, but not limited, to ensuring accurate and timely payroll distributions, and ensuring compliance with other legally mandated public school business practices.
