

School Supply Lists

Students will be supplied with the textbooks needed for our curriculum. They will also be allowed to check books out from the library. Please encourage your child to take good care of textbooks and library books. Replacement books, even the softback books, are expensive and students will be charged to replace lost or damaged books.

Each child needs to start the year with a fresh supply of materials necessary to complete the required work. Students in kindergarten will be sharing some of their supplies throughout the school year. Those items do not need individual names on them. Students in grades 1-3 will need to label items with their names and replenish supplies periodically. By January, students are usually in need of more pencils and paper.
