

Highland CUSD No. 5 parents/guardians,

Online Registration is due to close July 24th, however HCUSD5 is going to extend the deadline to Friday, July 28th. If you have not registered your student for the 23/24 school year, please log onto your PowerSchool parent portal and click on Forms to begin the registration process. For those who have registered, Thank You!

HCUSD5 is now accepting applications for free and reduced, and for meal payments for the 2023/2024 school year.

If your student has been pre-approved free or reduced for meals by Direct Certification through the State of Illinois, you should have received an email with the approval information.

If you need to apply for free and reduced, and/or would like to add funds to your students meal account, simply log onto your PowerSchool parent portal and look under Navigation for either "School payment portal" and/or "meal applications"

You will need to create an account or register to start either process.
