March 27, 2020

Good Evening Placerville Families,

I hope that this week has gone well for you. All teachers have been working hard to provide high quality educational opportunities to their students. I am continually amazed at what they are doing. If you have not yet been in contact with your child's teacher, please do so--I know they have been trying to reach out to all of our families. If your phone number or email address has changed, please go to the AERIES parent portal and update it or call the school office and leave a message with the updated information.

I was really excited to be the guest reader for Mrs. Horn at Sierra earlier this week. If you weren't able to view it live, check it out online, it was one of my favorite books "A Creepy Pair of Underwear."

Meal service has been going very well. We will need to close the Mosquito Bus Station location starting next week. If you regularly pick up food at that location, please come to Schnell School to pick up your breakfast and lunch.

We still have Chromebooks available. If you still haven't been able to pick one up or need an additional one for students in your family, please stop by the District Office between 10-2 Monday - Friday. If you are not able to make it during that time, please call the District Office at 622-7216 to schedule a time to pick it up.

Have a great weekend.

Eric Bonniksen

Superintendent
