

# PGHS and PGJHS Virtual Cheer Tryouts

Due to the unprecedented circumstances resulting from COVID-19, we have decided to move our cheer tryouts to a virtual format. With the help of Varsity Spirit and the support of our administration, we have arrived at a plan of action as to how this will be carried out.

## ***Special Note:***

***These virtual tryouts will be for those trying out for JUNIOR and SENIOR High Cheer, not 7th grade.***

Here's how it all will work:

- Everyone who attended a cheer tryout meeting has been added to a GoogleClassroom called "PGHS and PGJHS Virtual Cheer Tryouts". If you do not see that classroom appear on your GoogleClassroom home screen, please email Mrs. Dixon at [rachel.dixon@pigtigers.org](mailto:rachel.dixon@pigtigers.org) so she can add you. This will be the place you receive updates, example videos, and where the GoogleForm for video submission will be located.
- You need to mail your completed forms (DO NOT LEAVE ANYTHING BLANK), a copy of your physical, and your deposit to this address ASAP:
  - Rachel Dixon  
P.O. Box 602  
Prairie Grove, AR 72753

## **PAPERWORK DEADLINE - MUST BE RECEIVED BY April 8th, at 11:59pm**

- You will create five different videos for the virtual tryouts.
  1. Run On/Tumbling
  2. Your two jumps
  3. Cheer
  4. Chant
  5. Dance

You will upload these videos to YouTube and mark them as "UNLISTED" so that the only people who can see them are the judges who receive your links. Your links will be submitted via a GoogleForm that will be posted in the GoogleClassroom Mrs. Dixon has created.

## **VIDEO SUBMISSION DEADLINE - April 8th, at 11:59pm**

- On April 10th, if all necessary paperwork has been received, a panel of judges from Varsity Spirit will judge your video submissions.
- As soon as we receive the scores back from Varsity Spirit, we will add them to your teacher evaluations and squad members will be determined. Results will be posted on our PGHS Spirit page when that is all complete. <https://sites.google.com/a/pigtigers.org/pghs/SPIRIT>
