Social Media Post Announcement - *Include this announcement with the social media graphic content listed above*

- School's out but telehealth is still available! Mississippi School-based Telehealth is here for students all summer and is free of charge to students enrolled in Mississippi K-12 public schools. The program begins June 1. A parent or guardian must be present for the virtual visit. For appointments call 601-815-2020 and ask for a **summer telehealth visit**. Learn more at umc.edu/k12.

Newsletter Announcement - *Include an announcement option with your selected flyer and/or graphic content listed above*

- If your student needs care during the summer, telehealth is here.
- If your child needs minor medical care or behavioral health care while school's out, here's a fast, convenient way to see a provider online. Mississippi School-based Telehealth is here for students all summer and is free of charge to students enrolled in Mississippi K-12 public schools. Your child can see a UMMC nurse practitioner or licensed counselor on a smartphone, tablet, or computer wherever you are. The program begins June 1. A parent or guardian must be present for the virtual visit. For appointments call 601-815-2020 and ask for a **summer telehealth visit**. Learn more at umc.edu/k12
