Mission Statement: To develop students of character while empowering them to achieve personal success

March 30, 2020

Tomorrow, Tuesday, March 31, will be our first day offering free meal service to all children aged 1-18 who live in the school district in addition to all HNS students. Please be patient with us as we have increased our meal numbers and this will no doubt change some delivery times. Once again, times will begin to normalize as we move along with this process. Delivery of meals will start at about 11:00 a.m. If you'd like to sign up for meals, you can do so by going to hncats.org each day or by calling the office at 402-254-3947 if you'd like to get meals every day. Each meal is reimbursed by the government.

We will also be delivering instructional packets to elementary students and anyone else who needs them tomorrow, but we will deliver those separate of meal times to keep the meals as fresh as possible and keep the cleanest environment for the meals. We can pick up packets at those delivery times as well. Please have the packets your children will be turning in outside in a bag. Packets will be delivered before and after meal times.

Parents of seniors, please be sure you and your seniors are frequently checking email for scholarship deadlines. The following are deadlines for this week:

Josh Kroc Memorial Scholarship – April 1

Hartington-Newcastle Local Scholarships – April 3

Security Bank Scholarship – April 3

Please pay attention to these deadlines. The local scholarship deadline is VERY important. Completing this application opens up your students to a wide variety of scholarships. The application MUST be submitted to get one of our local scholarships. If you have any trouble with these applications, please call the school. Mr. Kneifl will help you.

If any of you do not have internet access, please call the school and let us know.

Thank you. Please call the school if you have any questions.

A. J. Johnson
Superintendent
