

# Refresh Google Policy for Zoom

All students should now be able to access Zoom from District issued devices, but they need to refresh Google Policy. I know that it sounds difficult, but below are step by step instructions.

- Login to the Chromebook using your @afjusedspartans.org login credentials.
- Open the Google Chrome Browser.

- In the address bar type: ***chrome://policy*** and press 'Enter'

- It should load this page:

The screenshot shows the Chrome Policies page in a browser window. The address bar displays 'chrome://policy'. The page title is 'Policies'. There are buttons for 'Reload policies', 'Export to JSON', and a checkbox for 'Show policies with no value set'. The 'Status' section is divided into 'Device policies' and 'User policies'. Below this is a table titled 'Chrome Policies'.

**Device policies**

- Status: Policy cache OK

**Chrome Policies**

Policy name	Policy value	Source	Applies to	Level	Status
<a href="#">AllowDinosaurEasterEgg</a>	false	Enterprise default	Current user	Mandatory	OK <a href="#">Show more</a>
<a href="#">AllowKioskAppControlChro...</a>	false	Cloud	Device	Mandatory	OK <a href="#">Show more</a>

- On the top left click 'Reload policies'
- After this has been completed you should be able to join a Zoom Meeting from [zoom.com](https://zoom.com). If problems persist, please contact Ms. Carrie at the school (928) 637-2561 Option 9. Or you can email her: [csotelo@afjusdspartans.org](mailto:csotelo@afjusdspartans.org) or [csotelo-ayala@afjusd.org](mailto:csotelo-ayala@afjusd.org)
