

## **School District Organization**

### **School District Philosophy**

#### **Vision**

The vision of Oglesby Elementary School District #125 is to provide each of its students with an appropriate and diverse instructional program which will begin to open the doors to their future development as citizens within a democracy.

#### **Mission**

All children can learn. It is the mission of Oglesby Elementary Schools to present opportunities for children to grow and develop as emerging learners within a complex society. We will provide a learning environment which is conducive for learning and which allows for personal development to take place. District personnel will strive to provide the children with those ingredients needed to build a solid foundation as each child evolves into a life-long learner.
