Students in grades 9-11 are to continue with their AMI assignments on Google Classroom.

WiFi Access: Cedar Ridge Schools will have network connectivity outside the buildings through an open "Guest" wifi network. School-owned Chromebooks will automatically connect to the network. Personal devices will have to manually connect. To view a map of where to access the wifi, visit www.cedarwolves.org/article/222335?org=cedar-ridge.

Other: Students enrolled in concurrent credit classes will still be required to complete the course per university requirements. For questions, students are to call Mrs. Kathleen Holder at 870-201-2577 ext. 4224.

For **accurate** school information and updates please check the Cedar Ridge Schools website and download the district app on iPhone or Android.
