March 31, 2020

Dear Students:

The staff at NTCC is thinking about you and wanted to reach out to let you know that our highest priority continues to be your future! Although none of us could have planned for recent events, we are committed to continuing to provide you with supports and resources that will help to build your knowledge and skills and prepare you to take the next steps along your career pathway to career, college, or the military. **Updates will be posted to the NTCC website as information becomes available, so please check in often.**

NEW Teacher Pages at www.ntccschool.org: Connect with your NTCC teacher and classmates through the “Teacher Pages” on the NTCC website. These pages can be accessed through the menu or the “Covid Closure Student Resources” button on the home page. You will be able to contact your teacher via email or through a class group platform and access enrichment and review opportunities that your teacher provides for you. Some industry certification options are included. All activities are optional at this time and will not be counted for attendance or grading. You are welcome to complete any or all that you feel will help you in your career pursuits.

A few updates regarding school closure:

- Per Governor Wolf, all Pennsylvania schools are closed until further notice.
- NOCTI and NIMS assessments are canceled for this year.
- CTE program hours requirements have been waived, so you do not need to worry about hours for completing your program of study.
- The State Board of Cosmetology is allowing for 250 hours to be completed online to count toward licensure. Mrs. Thibodeault will provide cosmetology students with additional information.
- Penn College NOW and Penn State Wilkes-Barre courses are on hold and there is nothing you need to do at this time. Updates will be provided as additional information becomes available.

College and career services, such as searches, scholarships, applications, resumes, and interview tips continue to be provided. If you'd like help with these tasks or any other concerns,

please email Mrs. Farley and she will set up a meeting by phone or Zoom to assist you. Please also check the website guidance services page for resources.

Seniors, you have worked hard to prepare for your future and recent events cannot take that away. You are prepared for the next steps along your career pathway and we are confident that you will be successful.

Please keep in touch and don't hesitate to contact us if we can be of any assistance.

Mr. Martell: gmartell@ntccschool.org

Mrs. Farley: jfarley@ntccschool.org

Mrs. Edsell: cedsell@ntccschool.org

We hope you and your families are safe and healthy and hope to see you soon.

Sincerely,

The Northern Tier Career Center
