While the Board respects the public’s right to voice any questions, concerns or criticisms it may have regarding the conduct of the Board and/or its administrations, I want to remind you that this right is not absolute, and statements that are abusive, obscene, irrelevant, overly lengthy or that interfere with the orderly progress of the meeting will not be permitted.

I want to also remind everyone that there is not privilege or qualified privilege with regard to any statements that a member of the public makes before the Board, and I caution each of you that your comments could result in legal action by a third party if you publicly disseminate information you know to be false. What this means is that while you are certainly free to exercise your right to comment on issues before the Board, such comments are considered public statements, and may be responded to or acted upon by any individuals affected by them.
