Subject: Outdoor Facilities – Closed to the Public

The current closure of public schools in Oregon includes a prohibition on the use of all school facilities for students and community members.

This order includes all school properties including athletic fields and playgrounds which are accessible to the public.

COVID-19 continues to live for days on some surfaces including playground / athletic equipment and public seating areas.

All ages are at-risk of contracting COVID-19, including students, and individuals may be carriers of the virus and spread it to others before symptoms appear.

To the maximum extent possible, individuals should minimize travel and stay at their place of residence to slow the spread of the virus, protect the health of all community members, and avoid overwhelming our healthcare system.

Please stay safe and be well.

Malcom McRae, Superintendent  
Crow-Applegate-Lorane School District 66
