Covid 19 update from Lockwood Schools

Academics:

Additional enrichment packets will be available for pick up on Friday April 3rd during lunch distribution at the high school. If you prefer to access your enrichment packet online it will be available on google classroom as well. The previous enrichment packets may be turned in on Friday when you come to pick up your new packet.

Meals:

There will be no meal pick up on Friday April 10th or Monday April 13th. These days were scheduled days out of school due to Easter Break. The kitchen staff will not be in on those days. We will be handing out two meals on Thursday April 9th to cover April 9th and 10th. We will also be handing out weekend Tiger packs on Thursday as well. Meals will be distributed again starting on Tuesday April 14th.

Activities:

Prom was scheduled to take place on Saturday April 25th. This has been cancelled. We have been having discussions about possible alternatives for later dates. These discussions will continue as we also monitor the changes with Covid 19 over the next month. If an alternative option becomes available we will update you at that time. All school field trips for this spring have been cancelled. If we get an opportunity to come back to school we will spend our time here at school.

Again, I appreciate your patience and understanding during this time. I hope that everyone is able to stay healthy and that we will be back to our usual schedules as soon as possible.

Respectfully,

Clay Lasater

Superintendent Lockwood Schools
