April 1, 2020

Governor Kemp updated his executive order today closing all K-12 public schools for the remainder of the academic year. Brooks County Schools will continue with essential functions such as school meals, distance learning, and instructional packets. Your child's teacher will be contacting you to discuss ways to continue delivery of instruction, course grades, promotion and retention.

We are dedicated to preserving senior memories. Plans for high school graduations and other high school activities will be forthcoming. Mr. Chris Chastain, Brooks County High School Principal and Mr. Lamar Thomas, Delta Innovative School Principal will be sending the information to you.

Thank you for continuing to support your child's learning and helping us to reach our goal of Pledge to Inspire and Educate Every Student (P2G).

Sincerely,

Dr. Vickie Reed

Superintendent
