Dear Parent(s),

During this time of social distancing, CIMS wants to ensure that all students have access to continuous learning opportunities for the remainder of the 2019-2020 school year. CIMS will deliver instruction through the USA Testprep platform. USA Testprep is 100% standards aligned to the Oklahoma Academic Standards. CIMS teachers have worked tirelessly to align the lessons with curriculum that is specific and most essential to the content area of 4<sup>th</sup> quarter of instruction.

**Online Learning:** Beginning April 6<sup>th</sup>, students will be able to access lessons through USA Testprep <https://www.usatestprep.com/member-login>. Content will focus on the core subjects of ELA, Math, Science, and Social Studies. Each lesson is designed to take students 30 minutes or less to complete; students should not spend more than 3 hours per day on assignments. All lessons for the April 6<sup>th</sup> – May 8<sup>th</sup> timeline have been added to allow students to work at their own pace.

#### **USA Test Prep Login Information:**

**Access ID:** cims34

**Username:** Student's first initial of their first name followed by their last name

Example: John Smith: jsmith

\*If the student's last name only has 4 letters or less, they will need to add the number 1 to the end of their name.

Example: Stan Lee: slee1

**Password:** Student's six (6) digit lunch number

Example: 601991

**Teacher Access and Virtual Resources:** Teachers will be available Monday through Friday from 9:00-11:00 am to provide instruction and assistance. Meetings will be held through zoom conferencing communications. Students will need to download zoom to their device <https://zoom.us/>. Students can login to <https://www.nobleps.com/> and click on the link Curtis Inge Middle School Virtual Resources or go directly to: <https://sites.google.com/nobleps.com/curtisingemiddleschoolvirtual> to access zoom codes for conferencing. In addition to being able to zoom conference with teachers, the resources page will provide additional online learning sites; access for students to text message questions; directly email teachers; and find extracurricular activities in music, art, coding, physical education, family and consumer science, and literature.

**Distance Learning without Internet:** For students who do not have internet access, coursework packets will be available for pickup at NPS Central Office starting April 6<sup>th</sup>.

**High School Credit Coursework:** Eight grade and seventh grade students enrolled in High School credit courses will be contacted by their teacher with further instructions on what they will need to complete for the remainder of the school year.

Please direct any questions that you may have to the school phone number: (405) 872-3495 or email Kristal Standridge at [kstandridge@nobleps.com](mailto:kstandridge@nobleps.com), Roger Clement at [rclement@nobleps.com](mailto:rclement@nobleps.com), or Ronnie Fulks at [rfulks@nobleps.com](mailto:rfulks@nobleps.com).
