

## Day 12

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math	<a href="#">Math Video</a>	<ul style="list-style-type: none"> <li>• Watch 4th grade teacher video about fractions</li> <li>• Practice adding Fractions on Zearn</li> </ul> <p><b>Intervention Supports:</b></p> <ul style="list-style-type: none"> <li>• Focus on adding fraction part only.</li> <li>• Draw a number line OR “Tape Diagram” to add parts.</li> <li>• “AMI Intervention Adding Fractions</li> </ul>	<p>Zearn.org</p> <p>Intervention:</p> <ul style="list-style-type: none"> <li>• AMI Intervention Adding Fractions</li> <li>• <a href="#">Number Line and Tape Diagram Manipulatives</a></li> </ul>	
Reading	<a href="#">Guarino Read Aloud</a>	<p>-Choose activity from Literacy Bingo OR -Read a book from home</p>	<p><a href="#">Literacy Bingo Video</a> <a href="#">Literacy Bingo</a></p>	
Writing	<a href="#">Clips Video</a>	<p>-Choose activity from Literacy Bingo <b>OR</b> -Watch video and begin a daily journal of free writing (use your notebook or Google Classroom)</p> <p><b>Intervention Support:</b></p> <p>-Are “Red Words”/spelling words correctly? -“Pound and Tap” unknown words. -Did you write complete sentences with lots of details?</p>	<p>Clips video on the components of a writing piece Daily Writing Journal or Google Classroom</p> <p>Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a></p>	
Content	No video	<p><b>-Insect Hunt-</b> Go outside and look in the grass, trees, under rocks....how many different animals can you see? Draw a picture or create a presentation of at least 3 different animals and explain where and why you think they lived there. <b>OR</b> -Play a board game with your family</p>	<p>Use Chromebook for presentation or paper to draw picture</p>	

## Day 13

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math	No video	<ul style="list-style-type: none"> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> <li>Practice problems on paper</li> </ul> <p>Intervention Support:</p> <ul style="list-style-type: none"> <li>Review Day 12's math video</li> <li><a href="#">Eureka Math Adding Mixed Fractions Video</a>: Start at 1:00</li> </ul>	Packet <a href="#">Day 13</a> chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions Intervention: <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No Video	-Choose activity from Literacy Bingo OR -Read a book on Storyline Online	<a href="#">Literacy Bingo</a> <a href="https://storylineonline.net">https://storylineonline.net</a>	
Writing	No video	-Choose activity from Literacy Bingo OR -Research/Write about a place that you would like to visit (anywhere in the world) in writing journal or create presentation with Google Slides  <b>Intervention Support:</b> -Are "Red Words"/spelling words correctly? -"Pound and Tap" unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom Chromebook  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	<a href="#">Teacher created video</a>	-Watch video (shows a science experiment) -Follow along and comment about the experiment	Video of Science experiment	

## Day 14

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice Set on paper</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <p>Intervention Support:</p> <ul style="list-style-type: none"> <li>Review Day 12's math video</li> <li><a href="#">Eureka Math Adding Mixed Fractions Video</a>: Start at 1:00</li> </ul>	<p>Practice set <a href="#">Day 14</a> chalk</p> <p><a href="https://www.abcya.com/games/adding_fractions">https://www.abcya.com/games/adding_fractions</a></p> <p>Intervention Support:  <a href="#">Eureka Math Adding Mixed Fractions Video</a>            AMI Intervention Adding Fractions  <a href="#">Number Line and Tape Diagram Manipulatives</a></p>	
Reading	No video	-Choose activity from Literacy Bingo OR -Read a book on Epic	<a href="#">Literacy Bingo</a> <a href="https://www.getepic.com">https://www.getepic.com</a>	
Writing	No Video	-Choose activity from Literacy Bingo OR -Finish your writing about a place that you would like to visit <b>Intervention Support:</b> -Are "Red Words"/spelling words correctly? -"Pound and Tap" unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom Chromebook  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	No Video	<b>-Sky Observations-</b> Go outside with in the evening. Make detailed observations about what you see in the sky. Go outside at the same time the following night, and face the same direction and observe. Share what you learned by video/type in Google classroom. Questions to help you: Did it stay the same? Could you see more or less? What else did you notice? <b>OR</b> -Talk with a family member about the types of clouds that you see and pretend they are images. Write a short story about those images.	Notebook Chromebook to record	

## Day 15

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> <li>Practice Problems on paper</li> </ul> Intervention Support: <ul style="list-style-type: none"> <li>Review Day 12's math video</li> <li><a href="#">Eureka Math Adding Mixed Fractions Video</a>: Start at 1:00</li> </ul>	Packet Directions <a href="#">Day 15</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No video	-Choose activity from Literacy Bingo OR -Read an article on NewsELA	<a href="#">Literacy Bingo</a> <a href="https://newsela.com/">https://newsela.com/</a>	
Writing	No Video	-Choose activity from Literacy Bingo OR -Write in your daily writing journal or Google Classroom about what you did on Spring Break <b>Intervention Support:</b> -Are "Red Words"/spelling words correctly? -"Pound and Tap" unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	No Video	<b>-Force and Motion</b> -Find 2 shoes with different types of soles on them. (Bottom of shoes) Video yourself pushing them across 2 different types of flooring (tile, carpet, wood, etc) Make observations about how much force (how hard you had to push) it took to move the shoe. Create a chart with your data (pushed: easy, medium, hard). <b>OR</b> -Demonstrate your own force and motion. Take a picture or draw a picture showing your ideas.	Paper to create a chart or Google Classroom	

## Day 16

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice Set</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <b>Intervention Supports:</b> <ul style="list-style-type: none"> <li>Focus on adding fraction part only.</li> <li>Draw a number line OR "Tape Diagram" to add parts.</li> <li>"AMI Intervention Adding Fractions"</li> </ul>	Packet <a href="#">day 16</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No Video	-Choose activity from Literacy Bingo OR -Create a story on Story Jumper	<a href="#">Literacy Bingo</a> <a href="https://storyjumper.com">https://storyjumper.com</a>	
Writing	No video	-Choose activity from Literacy Blngo OR -Continue to write in your daily journal about your feelings and thoughts  <b>Intervention Support:</b> -Are "Red Words"/spelling words correctly? -"Pound and Tap" unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	No video	<b>-Field Guide-</b> Go outside, look under rocks, in the grass and on trees to find 3 different types of insects. Create a presentation with each insect that you find. You may take pictures and upload to Google Classroom naming each insect. OR -Walk around and pick up trash (with an adult) Take a picture and upload to Google Classroom	Chromebook or paper	

## Day 17

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice problems on paper</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <p><b>Intervention Supports:</b></p> <ul style="list-style-type: none"> <li>Focus on adding fraction part only.</li> <li>Draw a number line OR “Tape Diagram” to add parts.</li> <li>“AMI Intervention Adding Fractions</li> </ul>	Packet Directions <a href="#">Day 17</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No video	-Choose activity from Literacy Bingo OR -Watch PBS kids	<a href="#">Literacy Bingo</a> <a href="https://pbskids.org">https://pbskids.org</a>	
Writing	No Video	-Choose activity from Literacy Bingo OR -Write in your daily journal about how you feel completing school work at home instead of going to school  <p><b>Intervention Support:</b></p> -Are “Red Words”/spelling words correctly? -“Pound and Tap” unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	No video	<p><b>-Float or Sink-</b> Find 3 items that sink in water. Do they sink in salt water? If you change the concentration (use less or more) of salt, can you make the objects float? Draw or explain in a video why.</p> OR -Go on a nature walk and list 3 thing you see	3 objects from home (Ex: penny, paperclip, rubberband) Chromebook	

## Day 18

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice problems on paper</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <p><b>Intervention Supports:</b></p> <ul style="list-style-type: none"> <li>Focus on adding fraction part only.</li> <li>Draw a number line OR “Tape Diagram” to add parts.</li> <li>“AMI Intervention Adding Fractions</li> </ul>	Packet <a href="#">page 18</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No video	-Choose activity from Literacy Bingo OR -Read a book from home	<a href="#">Literacy Bingo</a> Book from home	
Writing	No Video	-Choose activity from Literacy Bingo OR -Free write in daily journal  <p><b>Intervention Support:</b></p> -Are “Red Words”/spelling words correctly? -“Pound and Tap” unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	Video	-Watch video about our solar system and create a poster with our planets. OR -Draw the solar system with sidewalk chalk. Take a picture and upload.	Video about planets <a href="https://youtu.be/mQrlgH97v94">https://youtu.be/mQrlgH97v94</a> Sidewalk chalk Paper for poster	

## Day 19

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice problems on paper</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <p><b>Intervention Supports:</b></p> <ul style="list-style-type: none"> <li>Focus on adding fraction part only.</li> <li>Draw a number line OR “Tape Diagram” to add parts.</li> <li>“AMI Intervention Adding Fractions</li> </ul>	Packet <a href="#">page 19</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No video	-Choose activity from Literacy Bingo OR -Read a book on Epic	<a href="#">Literacy Bingo</a> <a href="https://getepic.com">https://getepic.com</a>	
Writing	No video	-Choose activity from Literacy Bingo OR -Write in daily journal about your thoughts and feelings  <p><b>Intervention Support:</b></p> -Are “Red Words”/spelling words correctly? -“Pound and Tap” unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	Video	-Watch the video about the different types of energy OR -Create a poster or slideshow about Kinetic and Potential Energy and draw or take pictures and label each example	Video <a href="https://youtu.be/lqV5L66EP2E">https://youtu.be/lqV5L66EP2E</a> Chromebook Paper	

## Day 20

Subject	Teacher Created Video	Activity (select one per subject per day)	Materials (Links to other videos or docs)	Parent Initial
Math		<ul style="list-style-type: none"> <li>Practice problems on paper</li> <li>Do problems with sidewalk chalk, take a picture, upload to Google Classroom</li> </ul> <p><b>Intervention Supports:</b></p> <ul style="list-style-type: none"> <li>Focus on adding fraction part only.</li> <li>Draw a number line OR “Tape Diagram” to add parts.</li> <li>“AMI Intervention Adding Fractions</li> </ul>	<a href="#">Packet Day 20</a> Chalk  Intervention Support: <a href="#">Eureka Math Adding Mixed Fractions Video</a> AMI Intervention Adding Fractions <a href="#">Number Line and Tape Diagram Manipulatives</a>	
Reading	No video	-Choose activity from Literacy Bingo OR -Read a book on Epic	<a href="#">Literacy Bingo</a> <a href="https://getepic.com">https://getepic.com</a>	
Writing	No video	-Choose activity from Literacy Bingo OR -Write and illustrate a narrative about your family in writing journal or Google Classroom <p><b>Intervention Support:</b></p> -Are “Red Words”/spelling words correctly? -“Pound and Tap” unknown words. -Did you write complete sentences with lots of details?	<a href="#">Literacy Bingo</a> Daily Writing Journal or Google Classroom  Intervention: <a href="#">Pound and Tap video: Start video at 1:45</a>	
Content	No video	-Create your own small vehicle (car, truck, motorcycle, etc) using any items around your house. Examples: legos, straws, toothpicks, cotton balls, paper, cardboard, etc. Be creative! Take a picture and upload to Google Classroom. OR -Draw a picture of a car/truck/motorcycle that you would invent in real life.	Any supplies from home Chromebook Paper
