

In situations where knowledge and/or technical skills are needed that cannot be supplied by regular staff positions, technical and consultant assistance may be considered as one alternative for providing the desired service. The service may be provided consistent with budgetary appropriations.

All consultants will be approved by the Superintendent prior to the invitation and arrangement for visitation by such person or persons to the school district. Any proposed contracts with consultants will be submitted to the Board for approval.

Consultants, whether temporary, part-time or full-time will exercise no administrative authority over the work of employees in the district, but will act only as advisers in those fields in which they are qualified to offer expert assistance.

All supervision of employees will be in the hands of those to whom such responsibility has been specifically delegated by the Superintendent.
