Forgotten Password

If you have forgotten your PowerSchool Student and Parent portal password, you will be unable to sign in to the PowerSchool Student and Parent portal. Use this procedure to recover your password. Once you provide your user name and email address, the system authenticates your information and sends a security token to your email address. Using the security token, you can then sign in to the PowerSchool Student and Parent portal, where you will then be required to change your password. For more information, see *How to Reset Your Password*.

Note: The security token is only valid for 30 minutes. If it expires before you can reset your password, perform the *How to Recover Your Password* again.
