MCHS Students Achieve High Marks on SAT

- The SAT assessment is designed to measure a high school student's readiness for college. The information is from last spring's SAT with the Class of '24.
 - MCHS had 8 students earn a 1250 composite score or higher which puts the students in the top 20th percentile in the nation. The students will be honored at halftime of the home football game on Sept. 7 vs. Richmond.
 - Students to be honored:
 - Grant Aubry, Leo Bankel, Morgan Cetera, Niko Enriquez, Paola Montes, Hir Patel, Caden Sauder, Emily White
