

4.7—ABSENCES

If any student's Individual Education Program (IEP) or 504 Plan conflicts with this policy, the requirements of the student's IEP or 504 Plan take precedence.

Education is more than the grades students receive in their courses. Important as that is, students' regular attendance at school, whether in person or digitally, is essential to their social and cultural development and helps prepare them to accept responsibilities they will face as an adult. Interactions with other students and participation in the instruction within the classroom enrich the learning environment and promote a continuity of instruction which results in higher student achievement.

Absences for students enrolled in synchronous digital courses shall be determined in the same manner as for District students attending courses in person.

Excused Absences

Excused absences are those where the student was on official school business or when the absence was due to one of the following reasons:

1. The student's illness or when attendance could jeopardize the health of other students. A maximum of six (6) such days are allowed per semester unless the condition(s) causing such absences is of a chronic or recurring nature, is medically documented, and approved by the principal.
2. Death or serious illness in their immediate family;
3. Observance of recognized holidays observed by the student's faith;
4. Attendance at an appointment with a government agency;
5. Attendance at a medical appointment;
6. Exceptional circumstances with prior approval of the principal;
7. Participation in an FFA, FHA, or 4-H sanctioned activity;
8. Participation in the election poll workers program for high school students.
9. Absences granted to allow a student to visit his/her parent or legal guardian who is a member of the military and been called to active duty, is on leave from active duty, or has returned from deployment to a combat zone or combat support posting. The number of additional excused absences shall be at the discretion of the superintendent or designee.
10. Absences granted, at the Superintendent's discretion, to seventeen (17) year-old students who join the Arkansas National Guard while in eleventh grade to complete basic combat training between grades eleven (11) and (12).
11. Absences for students excluded from school by the Arkansas Department of Health during a disease outbreak because the student has an immunization waiver or whose immunizations are not up to date.

12. Absences due to conditions related to pregnancy or parenting, including without limitation:

- Labor, delivery, and recovery;
- Prenatal and postnatal medical appointments and other medically necessary, pregnancy-related absences;
- The illness or medical appointment of a child belonging to a parent who is enrolled at a District school;
- A legal appointment related to pregnancy or parenting, including without limitation:
 - Adoption;
 - Custody; and
 - Visitation;
- A reasonable amount of time to accommodate a lactating student's need to express breast milk or to breastfeed the student's child on the District's campus; and
- At least ten (10) school days of absences for both a parenting mother and a parenting father after the birth of a child.

Students who serve as pages for a member of the General Assembly shall be considered on instructional assignment and shall not be considered absent from school for the day the student is serving as a page.

Up to one (1) time during each scheduled election, a student shall not be considered absent from school for the time the student accompanies the student's parent when the parent is exercising the parent's right to vote in a scheduled election.

In order for the absence to be considered excused, the student must:

- a. Bring a written statement to the principal or designee upon the student's return to school from the student's parent, legal guardian, or treating physician stating the reason for the student's absence; or
- b. If the student is attending the District's courses digitally, upload a written statement from the student's parent, legal guardian, or treating physician stating the reason for the student's absence through the District's digital course management platform for review by the principal or designee; or
- c. Provide documentation as proof of a student's participation in an activity or program scheduled and approved by the 4-H program that is provided by a 4-H county extension agent, 4-H educator, or other appropriate entity associated with the 4-H activity or program.

A written statement presented or uploaded for an absence having occurred more than five (5) school days prior to its presentation or upload will not be accepted.

Unexcused Absences

Absences that are not defined above; do not have an accompanying note from the parent, legal guardian, person having lawful control of the student, or person standing in loco parentis, the student's treating physician, or a 4-H county extension agent, 4-H educator, or other appropriate entity associated with the 4-H activity or program; or have an accompanying note that is not presented or uploaded within the timeline required by this policy shall be considered as unexcused absences. Students with (insert number) unexcused absences in a course in a semester may not receive credit for that course. At the discretion of the principal after consultation with persons having knowledge of the circumstances of the unexcused absences, the student may be denied promotion or graduation. Excessive absences shall not be a reason for expulsion or dismissal of a student.

When a student has (insert number equal to 1/2 above number) unexcused absences, his/her parents, legal guardians, persons with lawful control of the student, or persons standing in loco parentis shall be notified. Notification shall be by telephone by the end of the school day in which such absence occurred or by regular mail with a return address sent no later than the following school day.

Whenever a student exceeds (same number as in the first paragraph of this section) unexcused absences in a semester, the District shall notify the prosecuting authority and the parent, legal guardian, person having lawful control of the student, or persons standing in loco parentis shall be subject to a civil penalty as prescribed by law.

It is the Arkansas General Assembly's intention that students having excessive absences be given assistance in obtaining credit for their courses. Therefore, at any time prior to when a student exceeds the number of unexcused absences permitted by this policy, the student, or his/her parent, legal guardian, person with lawful control of the student, or person standing in loco parentis may petition the school or district's administration for special arrangements to address the student's unexcused absences. If formal arrangements are granted, they shall be formalized into a written agreement which will include the conditions of the agreement and the consequences for failing to fulfill the agreement's requirements. The agreement shall be signed by the student; the student's parent, legal guardian, person having lawful control of the student, or person standing in loco parentis; and the school or district administrator or designee.

Students who attend in-school suspension shall not be counted absent for those days.

Days missed due to out-of-school suspension or expulsion shall be unexcused absences.

The District shall notify the Department of Finance and Administration whenever a student fourteen (14) years of age or older is no longer in school. The Department of Finance and Administration is required to suspend the former student's operator's license unless he/she meets certain requirements specified in the statute.

4.7A ABSENCES

Students in programs off-campus who only attend half a day of school on our campus will follow the policies set forth but they will apply to the periods on campus at Magazine Schools. (For example: a student is allowed six (6) unexcused absences before they lose credit per class; a parent note, therefore, excuses eight (8) class periods for a day missed for a typical student. For a WATC student it will cover the four periods they are on our campus.)

4.8—MAKE-UP WORK

Students who miss school due to an excused absence shall be allowed to make up the work they missed during their absence under the following rules:

1. Students are responsible for asking the teachers of the classes they missed what assignments they need to make up.
2. Teachers are responsible for providing the missed assignments when asked by a returning student.
3. Students are required to ask for their assignments on their first day back at school or their first class day after their return.
4. Make-up tests are to be rescheduled at the discretion of the teacher, but must be aligned with the schedule of the missed work to be made up.
5. Students shall have one class day to make up their work for each class day they are absent.
6. Make-up work which is not turned in within the make-up schedule for that assignment shall receive a zero.
7. Students are responsible for turning in their make-up work without the teacher having to ask for it.
8. Students who are absent on the day their make-up work is due must turn in their work the day they return to school whether or not the class for which the work is due meets the day of their return.
9. As required/permitted by the student's Individual Education Program or 504 Plan.

Work may not be made up for credit for unexcused absences unless the unexcused absences are part of a signed agreement as permitted by policy 4.7—ABSENCES.

Work for students serving an out-of-school suspension or expulsion shall be in accordance with the District's programs, measures, or alternative means and methods to continue student engagement and access to education during the student's period of suspension or expulsion

In lieu of the timeline above, assignments for students who are excluded from school by the Arkansas Department of Health during a disease outbreak are to be made up as set forth in Policy 4.57— IMMUNIZATIONS.

In addition to the make-up work process above, at the conclusion of a pregnancy-related or parenting-related period of absence, a student may choose from various options to make up missed work, including without limitation:

- a. Retaking a semester at the District school where the student is enrolled;

- b. Participating in an online course credit recovery program;
- c. Being granted six (6) weeks to continue at the same pace and finish the semester at a later date, provided that the student may:
 - Complete the student's coursework within the current school year; or
 - Attend previously scheduled summer school classes made available by the District Where the student is enrolled; and
- d. Receiving home-based instruction services.

4.8A - HOMEWORK

Homework is considered to be part of the educational program at Magazine Schools. Assignments shall be an extension of the teaching/learning experience that promotes the student's educational development. As an extension of the classroom, homework must be planned and organized and should be viewed by the students as purposeful. Teachers will use their own judgment as to the amount and type of homework a student shall receive in order to succeed in meeting course expectations. Teachers will also be aware of the potential problems students may have competing assignments from multiple teachers and will vary the amount of homework given. Nonetheless, students will be required of to complete all assignments.

4.9—TARDIES

Promptness is an important character trait that District staff are encouraged to model and help develop in our schools' students. At the same time, promptness is the

responsibility of each student. Students who are late to class show a disregard for both the teacher and their classmates which compromises potential student achievement.

Date Adopted: 7-10-2014

Last Revised: 7-10-2014

4.9A – TARDIES ADDITIONAL*

*An excessive number of tardies could result in retention or being turned over to the appropriate authorities. **Elementary Tardy Policy:** Three tardies = one absence any student arriving after the 8:00 A.M. bell or leaving before 2:45 will be considered tardy. Three tardies during a nine week period will equal one absence.*

The following list is for 7-12 grade students only.

1. A student will be considered tardy if they are not in their seats when the tardy bell begins to ring.
2. A student will be considered absent if they are more than 15 minutes late during the period.
3. A student will be considered absent if they leave class 15 minutes before the end of the period.
4. If a student is 15 minutes late for class an absence will be given instead of a tardy.
5. Students must attend entire day in order to attend or participate in extracurricular activities.
