

Choctaws Step It Up!

April 6th through May 1st

4-week physical activity challenge encouraging students and teachers to get on the MOVE!!!

Once a week on Friday, students and teachers will use the link located at the bottom of this page to input information regarding how many miles of activity you participated in (you will receive a conversion chart for this). At the conclusion of this challenge participants will receive some awesome prizes for all of their hard work!
