at home Learning week two

Due: April 20th

DIRECTIONS:

We have included one reading and one math sheet per day for your child to complete. If you do not have access to a printer you may show your child the page and have them to answer the questions out loud or write them down on a piece of paper while looking at the page on the screen. If you have access to a printer, you may want to print the pages. If you do not have access to scissors and glue, you can also have your child to point and discuss the answers aloud. Below are the assignments for the week: Please complete 1 reading and 1 math sheet per day. If you print the packet off, take a picture and send it to your teacher's email address once your child has completed the activity. If you weren't able to print the pages off, send an email telling your teacher that your child has completed the activities for the week.

Reading
- Piggy Pals (Rhyming Words)
- Read It & Match It
- CVC Practice
- ig Word Family Match
- Big (reading story)

Math
- Piggy Shape Graph
- Polished Poodle (Counting)
- Animal Adding
- Number Practice to 20
- Coins Week 2

Other
- Listen to the following story. After listening to the story, draw & write about the setting (You may need to remind students that the setting of a story is WHEN & WHERE it takes place. If you do not have internet access, read a book from home.)
